NEWSLETTER

Thank you again to all those who attended, sponsored, volunteered and supported Tour De Vlei. It was a fantastic event and its success would not have been possible without you. For those of you who haven't already seen the photos, you can view them on facebook at

Our next event is our **Summer Regatta** on **19-20 November**. Our theme this year is Bikers, Boats and Babes.

It would be wonderful if you could bring along either a fellow biking family or a family from your child's school and/or work and introduce our Club to them. Bikers are arriving on their motorcycles

There is a delicious menu planned, so don't forget to place your food orders at sailing@vyc.co.za .

Events

Upcoming Events:

19-20 November - Summer Regatta

17-18 December - Father Xmas

14-15 January – New Years Regatta

21-22 January – Port Owen River Race

Important:

The water problem has been fixed at the vlei.

News from Other Clubs:

Worcester Yacht club made a request for Topaz, Hobies etc, old and new for their sail training. If anyone is willing to donate such a craft to their club, please contact Jasper Hewitt jasper@bushwakka.co.za

Special Thanks

To the following members:

Conrad Du Toit for the donations of the blue crates.

James Magner for shelving and cupboards

Grant Vincent for scraping the roads after winter.

Please note that volunteers are always needed both to assist with Bridge and Safety - please know that experience isn't necessary for either of these functions, just a willingness to help. We are extremely grateful to those members who have volunteered thus far. Please email your name to sailing@vyc.co.za should you be available for any of the future regattas
